

To increase the capacity of your OptiVend Touch, Animo offers several solutions. In this document you find the options how to increase the existing ingredient canister(s) for larger ones.

Options

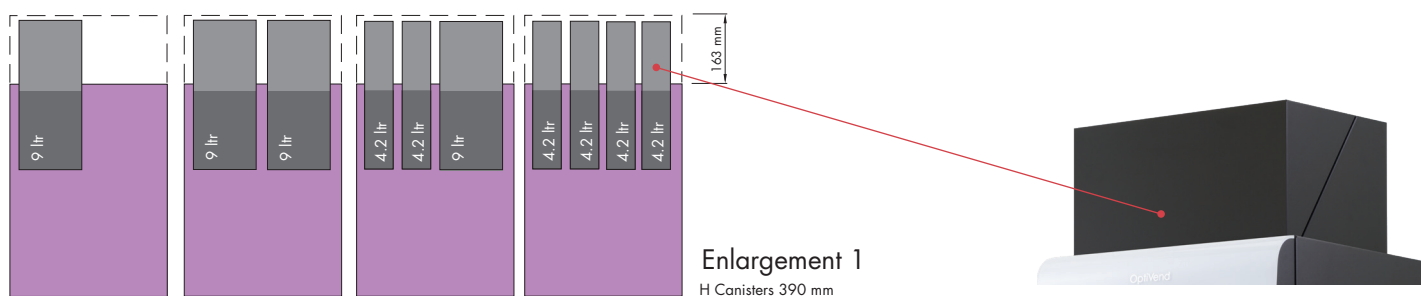

- The height of the ingredient canister(s) (standard 235 mm) can be increased to;
 - Enlargement 1 - 390 mm
 - Enlargement 2 - 460 mm
- Below you find the change in volume for or ingredient canister(s) per option.
