

OptiBean^X

Animo highly recommends the use of the Animo First Aid Kit to maintain and service the Animo OptiBean X (espresso) equipment.

Art. No. 1012581

For you as Animo distributor, the First Aid Kit has the following advantages:

- + Higher satisfaction rate of clients thanks to quick service & maintenance
- + Easy access to all recommended spare parts for your technicians to avoid loss of time
- + Easy to place in service & maintenance car
- + Easy to refill when spare parts are used
- + Small suitcase (400x300x135)

The Animo First Aid Kit contains the following items:

- + All recommended spare parts needs for servicing 5 units
- + QR code to swipe Guides *

Please order your Animo First Aid Kit and make both your client and your technicians happy!

OptiBean 12 X

OptiBean 22 X

* To be used only when accessing MyAnimo
